

Academy Award winning actress Brie Larson wore an exquisite Tiffany diamond necklace featuring a rare Fancy Yellow Green diamond of over 5 carats and white diamonds of over 19 total carats on the red carpet celebrating Tiffany & Co.’s upcoming brand exhibition at Fosun Foundation Shanghai. Larson was joined by Gong Li who wore a dazzling diamond bracelet, totaling approximately 86 carats.

This is Tiffany & Co.’s largest exhibition ever and celebrates over 180 years of artistry and exceptional diamonds at Tiffany, with the brand’s trailblazing moments detailed in 6 chapters that document numerous “Tiffany firsts” such as the introduction of the modern engagement ring, the Tiffany® Setting, and highlighting Tiffany’s cultural relevance and prominent position at the forefront of design.

The celebration continued at the rooftop party where DJs SimiHaze were joined by Mark Chao, Kim Tae Ri, Aleali May, Kiko Mizuhara, Sami Miro, Amiaya, Elena Temnikova, Sarah Ellen, Xu Kai, Jeffery Dong, Song Zue, and Anny Fan, among others who all wore designs from the iconic Tiffany T Collection.

“Vision & Virtuosity” opens to the public on September 23 and will run through November 10, 2019. Tickets will be available for purchase beginning in September, with all tickets sales benefiting the Fosun Foundation and its charitable programs.
