About Tiffany & Co.'s Diamond Traceability

Tiffany & Co. is strongly committed to the responsible sourcing of all our diamonds. As a leader in championing responsible mining efforts for the past 25 years, Tiffany & Co. is the first global luxury jeweler to offer diamond traceability by sharing the full craftsmanship journey of its newly sourced, individually registered diamonds (0.18 carats or larger) and disclosing the country where these diamonds are crafted and set. Tiffany & Co believes that responsible sourcing practices can help promote the protection of human rights, fair and safe labor practices, protection of the environment and ethical business conduct.
