

Dreaming of Our Favorite Things
TIFFANY & Co.

Today's the day. We haven't made time for ourselves in a while—and we deserve to. It's the most magical time of year, after all. We're logging off, shutting the laptop and unplugging from work. The back-to-back calls, emails and texts can wait. Let's press pause and take a few precious moments to daydream about all of our favorite things (with sparkling diamonds, of course), all day, and all night.
